

I hereby give permission for my child,

to participate in the Clay Hill Stables program described herein, subject to its rules and regulations. I agree that I shall not hold Clay Hill Stables, Ms. Emalyne Prettyman or any person(s) connected with the operation of this activity liable or responsible in case of an accident or injury. I understand that all necessary precautions are taken to ensure the safety of my child/myself, but I AM FULLY AWARE of the risks involved when working on and around horses. By signing this form, I assume these risks and give my permission for my child to ride, swim, participate in outdoor sports, go on trips and hikes and work in the barn area. I further realize that just being on the premises where horses, ponies and other animals are kept is in itself a risk. I understand that if my child should be an invited guest in the pool or pool area, this constitutes a privilege that is not part of the horsemanship curriculum and is also an extreme risk. I fully assume this risk by signing this form. I also realize that if I avail myself of child care before or after the Program, I am giving permission for my child to be on the premises without full staff supervision and children are subject to the rules and regulations of this activity; i.e., to remain in the HOUSE, TACK ROOM or OFFICE and not be outside in the pool area, the barn area or in the fields around the barn.

Extras

Qualified participants may have the added experience of showing at a local show and/or may be invited to experience trail rides, field trips or overnights. Just remember the Horsemanship Adventure Series is designed to educate young riders, therefore not all participants may enjoy all phases of horse care and maintenance.

Clay Hill is in its 36th season of successful horsemanship programs.

We are very proud of all our "graduates" who have enjoyed the in-depth experience of our camps and welcome many of their children back. The Horsemanship Adventure Series is an entirely hands-on, educational riding program. Every participant is assigned a horse or pony of his/her own to take care of and learn to ride in at least 2 lessons each day.

About our horses

The Clay Hill horses and ponies are of impeccable quality and are well-trained and child-oriented at all levels. You may meet our equine friends at local horse shows and events.

For your convenience...

Children may arrive as early as 7:00 a.m. at an additional charge of \$30 per week. They may also stay as late as 6:30 p.m. at an additional charge of \$30 per week.
